

### Pupil Spending and Impact 2016/2017

*Below is a description of how we spend and measure the impact of our pupil premium grant*

Number of pupils eligible for Pupil Premium funding: 152

Amount allocated per pupil: £935.00

Total allocation for 2016/2017 academic year: **£142,120.00**

#### How are we spending the Pupil Premium?

We draw on research evidence (such as the Sutton Trust toolkit) and evidence from our own experience to allocate funding to activities that are most likely to maximize achievement. We evaluated spending in 2015/2016 and have decided to continue and increase the interventions that had the biggest impact on pupil progress. We never confuse eligibility for the Pupil Premium with low attainment, and focus on supporting our disadvantaged pupils achieve the highest levels of progress. We intensify support in year 7 so that pupils begin year 8 at a level in line with- or exceeding- national expectations, enabling them to access the curriculum.

Purchase	Total cost	Impact Measure	Feb 2017 Impact	May 2017 Impact	July 2017 Impact
